

St. Johns | Newfoundland | 902-466-4333

**Cementitious Fireproofing Installer**

**Job Type: Full-time**

**Location: St. John's, Newfoundland**

Trinity Energy Group is currently seeking a self-motivated and energetic individual to join our team as a Cementitious Fireproofing Installer for a large project in St. John's on a full-time term basis. We are looking for someone who is hardworking, reliable, and are determined to stay motivated on large-scale jobs. Experience with cementitious fireproofing is required. Experience with intumescent fireproofing, and firestopping is a great asset. If you are looking to join a fast growing, industry leading, non-union company then please apply.

This is a full-time opportunity with a medical/dental/health benefits package available after three (3) months. Wage will depend on experience and qualifications of the candidate. All experienced individuals are welcome to apply.

**The successful candidate will work on contracted sites in Newfoundland as a Cementitious Fireproofing Installer, requiring the following duties:**

- /// Properly apply cementitious fireproofing to steel at required thicknesses
- /// Coordinate with site forepersons and field staff to deliver consistent production levels
- /// Experience in operation, general maintenance, and on-site troubleshooting of the following trade-specific equipment is preferred:
  - /// Rotor/Stator fireproofing pump - Gas/Diesel/Electric (Putzmeister and B30 Monophase pump)
  - /// High-pressure Intumescent coating pump (Graco, Titan, Sherwin Williams)
  - /// Adhesive and accelerator mixer and pump (Krendl, Grace)
  - /// Drum, Paddle and Auger mortar/cement mixers - gas/electric (Crown, Stone)
  - /// Lath and Scrim Installation tools (Hilti)
  - /// Flame retardant spraying equipment
  - /// Related tools and machines - Drill mixer, pressure washer, compressor, generator, water pressure booster.

**Other considerations and requirements:**

- /// Valid Driver's License
- /// Current Respirator Fit Test and Medical Evaluation required
- /// Ability to carry 60lbs
- /// 2+ years fireproofing, and specialty coatings experience
- /// Basic understanding of construction principles and procedures
- /// Comfort working in high-stress environment with extreme weather fluctuations
- /// Scissor lift/boom lift operator certificate
- /// Criminal record check & child abuse registry check must be provided upon hiring
- /// Clean Driver's abstract must be provided upon hiring
- /// Own transportation to and from our job sites is required

- // Candidates with air brakes endorsement or willing to attain will be considered first
- // Hours will fluctuate (full time + additional)

**Benefits:**

- // Paid weekly
- // Complete benefits including medical, dental, and vision. Employee & Family Assistance Plan
- // Opportunities for growth and career advancement

Please forward all resumes to Steve Turnbull, at [steve@trinityenergygroup.ca](mailto:steve@trinityenergygroup.ca). We appreciate all who apply, but only the chosen candidates will be contacted for an interview.
